*** No Meetings for June or July! ***
Possible Meeting August 17th

Next Scheduled Meeting: will be our annual joint meeting with Ohio area cactus clubs, local plant groups and associates on September 21, 2014 at Klyn Nursery 3322 South Ridge Rd. Perry (Lake Co), Ohio and hosted by Bill and Nancy Hendricks. Everyone is welcomed to attend!

Meeting Date Changes: June Meeting has been canceled. Joe Mehalik offered to have a club meeting at his S Euclid home in August, possibly the 3rd Sunday. I will let everyone know asap. See below...

FYI: Joe Mehalik has some Costa Rica and Madagascar soil mixes available at \$5.00 for 25 lb bags. Please contact Joe (216-780-5796 or jmplantguru@gmail.com) asap if you want to purchase any. Tim M has offered to pick up the bags and hold them until we can meet and distribute the bags.

May '14 Meeting Recap:

- * This month's meeting was hosted by Laura Noble at her home in Bay Village. Joe Kulick opened the meeting ... there was no treasurer's report, new correspondence, books and catalogs reviewed or any cultural questions or issues raised for discussion.
- * The June field trip to Kevin's next month has been cancelled due to a freeze-out at Kevin's. Bob Olekson generously offered to host the meeting at his home for next month, but since Bill Hendricks and Joe Kulick both will not be able to attend, the meeting for June has been cancelled. There is no meeting for July. We may possibly meet at Joe Mehalik's house August 17th, more info to follow.
- * The Eastern regional meeting will be October 12 – 14th near Philadelphia at the Valley Forge 'Double Tree' hotel.
- * The club has donated \$600 from our show sales to CBG for expenses and the purchase of Madagascar Glasshouse plant material. See treasurer for a copy of the final show accounting.
- * Please use our website! We need to populate our blog and keep it current to attract outside attention. Post simple comments, questions, and links by sending emails to our webmaster Tim Malinich at timj@hearthstonefarm.net. Tim has asked that we bring a few digital pictures on a memory stick to meetings and he will copy and resize them to post on the web site. Any from shows, field trips, you and your collection or a special plant would be great. And bring your show pictures next meeting!
- * Allen L announced the open house and orchid sale at Kim and Edgar Stehli's greenhouse later this afternoon.
- * Program: Laura N. gave a program on the beautiful xeriscape at Pitzer College in California ... where they extensively use cacti and succulents for water conservation landscaping. Joe M. gave a program on San Diego Botanical Gardens and Balboa Park, where there is a collection of museums and gardens. Both program speakers did a great job and everyone enjoyed the program!
- * Laura ended the meeting with a tour of her garden and very generously shared some of her perennials with the club members.

Thanks to Annie K for taking minutes—you're the best!

Have a great summer!
